Legislation Title:

AN ORDINANCE relating to the Office of Arts & Culture; authorizing the Director of the Office of Arts & Culture to set fees and charges for the Langston Hughes Performing Arts Institute.

Summary of the Legislation:

This Ordinance will give the Director of the Office of Arts & Culture (Arts) the authority to change fees and charges for the Langston Hughes Performing Arts Institute (LHPAI) to compete with comparable venues.

Background:

Fees and charges relating to the use of LHPAI were previously contained in the Department of Parks and Recreation's (Parks) Fee Schedule when the facility was under the Parks umbrella. Now that LHPAI is being administered by Arts, Arts will need legislative authority to change fees and charges.

The nature of LHPAI means that it competes with other venues for rentals. This legislation will allow the Arts Director to respond to changing market conditions in establishing appropriate fees for LHPAI.

LHPAI maintains a fee structure for all its rentals ranging from free to full recovery of costs. This proposed fee change will ensure that:

- Current fees are in alignment with comparable facility fees and amenities in the marketplace.
- Theater lamp use fees will be required to help LHPAI establish a reserve account for future replacement of the costly lamp fixture.

Attachment A shows the proposed fee schedule including references to fees previously charged for rentals and services at LHPAI while part of Parks.

X This legislation has financial implications.

Summary of Changes to Revenue Generated Specifically from this Legislation:

	Revenue Source	2015 Proposed	2016 Proposed
Total Fees and Charges Resulting From Passage of This Ordinance			

Revenue Change Notes:

This legislation is not expected to impact anticipated revenues.

Anticipated Total Revenue from Entire Program, Including Changes Resulting from this Legislation:

Fund Name and Number	Revenue Source	Total 2015 Revenue	Total 2016 Revenue
00140 Arts Account	Langston Hughes Performing Arts Institute	\$36,000	\$37,000
63090 Donation Fund	Langston Hughes Performing Arts Institute	\$35,000	\$36,000
TOTAL		\$71,000	\$73,000

Total Revenue Notes:

A portion of the fee revenue generated by LHPAI is budgeted to support the operations of the program (deposited in the Arts Account). The remainder of the revenue is collected in the Arts Commission Donation Fund (in a separate project), and LHPAI may use these funds to support programming and other costs at the facility.

Other Implications:

- a) **Does the legislation have indirect financial implications, or long-term implications?**
 If approved, this legislation has indirect financial implications. It will allow the Arts Director to set fees for LHPAI. Attachment A to this fiscal note is what the Arts Director has indicated that the Office is likely to charge, given the authority, beginning January 2015. The resulting difference between 2015 anticipated revenues and 2014 actual revenues is expected to be negligible.

- b) **What is the financial cost of not implementing the legislation?**
 This legislation addresses confusion made when LHPAI was transferred from Parks to Arts as part of the 2013 budget process. Although jurisdiction was transferred and LHPAI fees were removed from the Parks and Recreation Fee Schedule, the ability to set fees was not explicitly placed under Arts. This legislation remedies that. In 2014,

LHPAI fees were unchanged from the 2013 fees under Parks. This legislation is needed to allow the Arts Director to set fees, keeping charges competitive at market rates while providing income to LHPAI.

- c) **Does this legislation affect any departments besides the originating department?**
No.
- d) **What are the possible alternatives to the legislation that could achieve the same or similar objectives?**
None.
- e) **Is a public hearing required for this legislation?**
No.
- f) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?**
No.
- g) **Does this legislation affect a piece of property?**
No.
- h) **Other Issues:** None.

Fee Schedule -- Office of Arts & Culture / Langston Hughes Performing Arts Institute

The tables below identify all proposed fees for various services, uses and rentals at the Langston Hughes Performing Arts Institute ("LHPAI"), within the Office of Arts & Culture ("Arts"). LHPAI was previously managed by the Department of Parks and Recreation ("Parks").

Theater

The use fees for the historical, 287-seat LHPAI vary by length and type of use. To further maintain the theater, no taping or tacking of decorations or meeting materials to walls, windows, fixtures, lighting or seating areas is permitted. Theater furniture, fixtures, curtains, and equipment may not be moved. **Please NOTE the following:**

- Theatre rentals may require additional labor charges for the theater and a technical staff person, with overtime and or City of Seattle ("City") holidays charged at the approved City rates of pay.
- A maintenance fee will be required for audiences and activities when the use will impact the normal maintenance standard of the facility. The City is self-insured, however each use requires an accord form (certificate of additional insured) naming the City, Arts, and LHPAI as additional insured paid by the renter (coverage amount is based on estimated attendance and type of event).
- An additional charge is required for the use of certain types of facility equipment, subject to availability.
- Theater rental includes new categories for use of theater lamp during general types of productions, presentations, performances, and rehearsals depending on approved lighting use.

This is similar to a black box one man show piece. There may be some light design-though nothing that would involve a full hang.

Category II - Intermediate Show/Stage production/Dance.

Lamp Use

There is set and light work that is being used. Sets and gear need to be moved in and out of the theater. There is rehearsal time in the theater and complex sound and light use.

Category III - Advanced Show/Full stage Production

Light Use

There is a full dedication of theater equipment resources. Even if not produced in house, LHPAI staff hours are spent reviewing loading and inspecting systems. The entirety of the theater and its resources are being tasked to such productions.

City Hall, 2nd Floor

Dear Council President Burgess:

I am transmitting the attached proposed Council Bill regarding fees and charges at the Langston Hughes Performing Arts Institute (LHPAI).

LHPAI fees were previously set as part of the Department of Parks and Recreation fee schedule. The LHPAI program was transferred from Parks to the Office of Arts & Culture as part of the 2013 budget process.

The proposed legislation will allow the Director of Arts & Culture to set fees at the LHPAI that reflect competitive pricing with similar facilities in the area at market rates.

Thank you for your consideration of this legislation. Should you have questions, please contact Jane Morris at 684-8362.

Sincerely,

Edward B. Murray
Mayor of Seattle
